Newsletter 8

Greetings all sheltered in place White Hatters!

The world has really changed since our last newsletter. But Rotarians including White Hatters are doing some amazing activities around the world not only for the pandemic, but for polio and the foundation as well. Over \$170,000 raised since December.

Since the first of the year more than 10 new White Hatters from clubs in many Districts.

Pandemic Relief –A White Hat Event!

We would like to hear of the special stories that White Hatters have to tell about activities they are doing to help those of need around the world. The foundation is intensifying its effort to fight the world crisis. Now more than ever your White Hat contributions to the foundation are needed.

Special Recognition

Not only did they meet the maximum White Hat Level 10 but Suzi and Bill Howe became Arch Klump Members in December. Way to go!

Many obtaining new pins!

Don't forget that we introduce 5 new levels and 5 new pins that recognize continuing support of your White Hat Society in 2019. Here is another look at what you will receive. Thanks so much to Bob Lowe of Russell Hampton for providing these new pins to the Society. Bob has designed and paid for thousands of dollars in pins – ordering them from China and providing them to the White Hat Society.
